## What to Expect

Our delivery drivers usually arrive by 13:00 on the day of delivery. The driver will usually contact you on the morning of your delivery day to confirm their time of arrival.

If you don't hear from them, let us know by calling 0333 12 12 700. Please let us know in advance if someone else will be accepting the delivery.

## Your First Payment

**Your first payment is due on the day the car is delivered**, then every 7 days on the same weekday. Your contract requires you to set up an automatic standing order to ensure you don't have to worry about it each week.

It is important that you enter your car's registration number as the reference so that we can easily verify it.
